DISCLOSURE

It is the policy of the Annenberg Center for Health Sciences at Eisenhower to ensure fair balance, independence, objectivity, and scientific rigor in all programming. All faculty and planners participating in sponsored programs are expected to identify and reference off-label product use and disclose any relationship with those supporting the activity or any others with products or services available within the scope of the topic being discussed in the educational presentation.

The Annenberg Center for Health Sciences at Eisenhower assesses conflict of interest with its instructors, planners, managers, and other individuals who are in a position to control the content of CE/CME activities. All relevant conflicts of interest that are identified are thoroughly vetted by the Annenberg Center for fair balance, scientific objectivity of studies utilized in this activity, and patient-care recommendations.

The Annenberg Center for Health Sciences at Eisenhower is committed to providing its learners with high-quality CE/CME activities and related materials that promote improvements or quality in health care and not a specific proprietary business interest of a commercial interest.

In accordance with the Accreditation Council for Continuing Medical Education Standards, parallel documents from other accrediting bodies, and the Annenberg Center for Health Sciences at Eisenhower policy, the following disclosures have been made: The faculty disclosure list can be found on the IPPS website under the Annual Meeting in Chicago.

Additional content planners. In accordance with the Accreditation Council for Continuing Medical Education standards, parallel documents from other accrediting bodies, and the Annenberg Center for Health Sciences at Eisenhower policy, the following disclosures have been made: Director of Continuing Education Charles E. Willis consults for Pfizer Inc.; all other staff at the Annenberg Center for Health Sciences at Eisenhower and the International Pelvic Pain Society, with a material role in developing activity content, have no relevant commercial relationships to disclose.

DISCLOSURE (CONTINUED)

The ideas and opinions presented in this educational activity are those of the faculty and do not necessarily reflect the views of the Annenberg Center for Health Sciences at Eisenhower or its agents. As in all educational activities, we encourage practitioners to use their own judgment in treating and addressing the needs of each individual patient, taking into account that patient's unique clinical situation. The Annenberg Center for Health Sciences at Eisenhower disclaims all liability and cannot be held responsible for any problems that may arise from participating in this activity or following any treatment recommendations presented.

CE certificates are available for download after you have evaluated each session and the overall conference. To complete your evaluations and download the certificate:

- 1.** All preregistered attendees received an email from info@pelvicpain.org titled "Download Conference App" with their login and password information for the conference app.
- 2.** At the first screen inside the app, click Login and use the credentials provided in the email.
- 3.** Along the bottom navigation bar, click CME to access the evaluation portal.
- 4.** Complete the session evaluation for each session cluster you attended.
- 5.** Complete the Overall Conference Evaluation.
- 6.** Download the CE certificate.
